

PATENT
450100-02464REMARKS

This amendment is submitted after receipt of the Notice of Allowance.

The claims are amended to delete therefrom the word "broadcast." As pointed out at page 1 of the specification, as filed, the present invention finds ready application to "media which provide a large number of programs, such as ... the Internet...". In an effort to avoid any undue, unwarranted and unintentional limited interpretation of the claims, the claims are amended to delete "broadcast" therefrom.

It is respectfully submitted that no new matter is presented by this amendment. Moreover, the allowance of the claims has not depended upon the word "broadcast" therein. Accordingly, entry of this amendment is respectfully solicited.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
